

Dear Colleague,

We are celebrating 20th Anniversary of DAAAM International (1990-2010), and we invite you to join us this anniversary fest in the wonderful city of Zadar this October!

It is my pleasure to inform you that the preparation for the 21st DAAAM World Symposium is running excellent.

It is my pleasure to inform you that also **Annals of DAAAM and Proceedings of International DAAAM International Symposium and European Young Researchers and Scientists Conference are included in Index to Scientific & Technical Proceedings (ISTP/ISI Proceedings and ISTP CDROM/ ISI Proceedings) of Thomson Scientific - Institute for Scientific Information (ISI)**

ISI Proceedings provides Web access to bibliographic information and author abstracts from papers delivered at prestigious international conferences, symposia, seminars, colloquia, workshops, and conventions. **Available via ISI Web of KnowledgeSM**, it also includes powerful searching and linking capabilities. More about ISI Proceedings you can find at

http://apps.isiknowledge.com/UA_GeneralSearch_input.do?product=UA&SID=R2P79LE2%40O5di5g%40fbO&search_mode=GeneralSearch

The calls for papers are announced for:

1) DAAAM International Scientific Book

DAAAM International Scientific Book is very successful project. If you want to present your research project and newest results as a chapter of DAAAM International Scientific Book 2010 - you are welcome. All chapters of the book will be crossreferenced and available on internet. At the time the DAAAM International Scientific Book in evaluation process at Thomson Scientific for the including in category "cc books". Status: Call for Manuscript.

2) Young Researchers' and Scientists' Conference

We are supporting the development of the next generation of researchers and scientists for that reason we are organizing the 4th European DAAAM International Young Researchers' and Scientists' Conference which will be held parallel to the 21st DAAAM International Symposium "Intelligent Manufacturing & Automation", at the University of Zadar, Zadar, Croatia, 20-23rd October 2010! If you are young researcher or scientist, or you are the supervisor of young researcher or scientist - this is your conference! The papers will be published in ISI Proceedings! Status: Call for Papers

3) The 21st DAAAM International Symposium

The 21st DAAAM International Symposium "Intelligent Manufacturing & Automation", will be held at the University of Zadar, Zadar, Croatia, 20-23rd October 2010! The papers will be published Annals of DAAAM for 2010 & Proceedings of the 21st International DAAAM Symposium which in ISI Proceedings! Status: Call for Papers

4) Publishing of paper in the Annals of DAAAM for 2010

5) DAAAM International Journal of Simulation Modelling

Call for Manuscripts <http://www.ijimm.com/>

New activities of DAAAM: In the activities of DAAAM International are included thousands of people, institutions and publications. From the other side we have continuous high growing rate. Last year in Annals

& Proceedings we published 974 papers from 1922 authors (over 1200 young authors and 1086 Newcomers). Those are the reasons for the improvement of the organization. On the occasion of 20th DAAAM Symposium we make many innovations in the organization such as:

- Introducing of membership at DAAAM International
- Introduce DAAAM World Symposium = DAAAM International Symposium + European Young Researchers + "Meet the Experts" + Exhibition + Partners
- DAAAM International Jubilee Medal (20th DAAAM Symposium + 20th Anniversary of DAAAM International) is founded and introduced.
- We are preparing for the founding of DAAAM International Journal which has to be the high quality Journal for the DAAAM Community.
- Changes and professionalization in the organization of conference due to the size of conference
- And many others, more detailed you can find at www.daaam.com

New Photos: New photo galleries and reports are uploaded! Young researchers and Scientists are welcome! I am looking forward to see your papers for Symposium and/or manuscripts for Scientific Book soon. I am looking forward also to welcome you personally at the 21st DAAAM World Symposium.

Festo Award: Since three years concern Festo awards 35-40 best young researchers and scientists (authors and participants) at DAAAM World Symposium!
